 D – Requires significant improvement

---

What were the candidate's strengths?

*The candidate proposed a very interesting new topic for its laurea thesis and he has demonstrated a remarkable capability in problem solving and in proposal of innovative solutions. He worked very well in complete autonomy.*

What were the candidate's weaknesses?

*I worked with the candidate when he was a third year student of the Computer Engineering Laurea Degree, so that its theoretical competencies were limited.*

Did the candidate experience any health problems?

*I have no information about any health problem*

What was the reason for termination?

*He completed the laurea thesis and obtained the laurea degree under my supervision.*

Would you re-employ the candidate if a suitable position arose?

*Yes, it is possible*
